

INSTRUCTION SHEET

LACTO DES

GREENSPEED™
crazy about cleaning

STEP 1

Spray directly onto the surfaces to be disinfected.

STEP 2

Allow it to work in for 5 minutes. Use adequate liquid so that the surfaces remain wet during exposure time.

STEP 3

Rub or brush if necessary.

STEP 4

If the surfaces come into contact with food:
Rinse thoroughly with clean water. Dry clean with a clean cloth.

! Use biocidal products with caution. Read the label and the information relating to the product before use.
