

# COSHH Risk Assessment

## JANGRO BACTERICIDAL HAND SOAP (500ml)

Product Code: BK170-50

PROCESS STAGE	POTENTIAL RISK	CONTROL MEASURES	ACTION REQUIRED
<b>DELIVERY</b>			
Packed 6 x 500ml bottles, in cardboard boxes. Product is supplied ready to use.	Risk of spillage if the container is dropped. Risk of injury to user if dropped.	If manually handling, then trained employees should handle only single container at any given time. Take care not to drop the containers. Ensure that the caps are secure at all times.	Transfer containers to store immediately following delivery. Do not leave containers in areas where users of the building will come into contact with them.
<b>STORAGE</b>			
Store at moderate temperatures in dry, well ventilated area. Keep in original container.	Minimal risk of slippery floors through spillage if packs are damaged on receipt.	Avoid extremes of temperature. Store away from oxidising materials.	Use oldest stock first. Make regular checks to ensure that storage area is clean and tidy. Make regular checks to ensure that containers are not split or blown.
<b>USAGE</b>			
Press pump head of bottle head and use as directed.	Minimal risk of eye contact. Minimal risk of spillage.	Always read manufacturers 'How to Use' instructions prior to use.	Provide dispensers and 'How to Use' information.
<b>DISPOSAL</b>			
Empty containers are not classed as hazardous waste. Use normal industrial or domestic waste procedures. Residual stocks may be disposed of into a foul sewer (sluice) using plenty of water. Recycle all containers wherever facilities are available.	Minimal risk of eye or skin contact.	No risks identified. Wash spills to foul drain with plenty of water.	Cosmetic product, PPE not required.
